HOME OF THE MAIL ON SUNDAY
NATIONAL GOLF CHAMPIONS

Congratulations to the Collingtree Park Golf Club team that were the winners of the 2014 Mail on Sunday Golf Classic.

The competition closing rounds were held at the El Rompido resort in Spain with our team beating Worthing 3-2 in the semi final and Seaton Carew by the same score to bring home the trophy. This event, the most prestigious of all contests for clubs in the UK, is vied for by over 3000 teams nationwide.

Headed by Andy Billson (centre picture holding the trophy) the team was (left to right) Lamont Montezu, Brendon Moss, Andy Castell, Dan Messom and Liam Davies. Our Club Captain, Adrian Kilshaw, was recovering from major heart surgery and could not take part.

The Club succeeded the 2013 winners, Wentworth GC, as champions - this achievement is something we are all very proud to be part of. For certain we will be defending our crown in the coming year(s) so keep a lookout on the Club's website & in the newsletter!!

Well done to everybody !!

GENERAL MANAGER'S INTRODUCTION

On behalf of all the team it is my pleasure to welcome you all to Collingtree Park Golf Club

We are all looking forward to giving all our Members and guests our very best level of service and are determined that all areas of our business cater for all your needs to the best of our ability.

We promise to communicate with our Members and guests on a regular basis highlighting Competition winners, any changes and conditions to the course and all important matters relating to golf at Collingtree Park. We will also advise you of any new clothing lines and equipment plus any special offers in the Pro Shop.

You will receive regular updates on our new menus, special food and drink offers plus all the new special events coming up throughout 2015 at the Clubhouse and Greens Restaurant.

If like me you always need help with your golf swing then don't forget we have not one but two great golf professionals who I'm sure will soon get you back on the straight and narrow. For any budding new young players then our new junior scheme run by John Gibbons and Kegan Jamieson will be a great way to start. Please ask at the Pro Shop for further details.

I will be looking for as much feedback as possible as we strive to not only be Northampton's premier golf course but also a place where Members, guests and non - members will want to return not only for superb food and drink but also a great place to relax and enjoy good company.

Please feel free to contact me either via e mail at gm@collingtreeparkgolf.com or simply call into the Pro Shop and if I'm in my office I will be happy to help wherever I can.

Here's to a great golfing year at Collingtree Park GC!

Regards

Phil Jones
General Manager

Welcome

CLUB CAPTAIN'S WELCOME

It is my privilege as the Captain of Collingtree Park Golf Club to welcome you to our new year. With competitive as well as more social aspects of the game to look forward to I am certain that the coming months will provide us all with many enjoyable hours out on the course in friendly rivalry – something we all can be proud of!

I will do my best for everyone to ensure a good mix of golf and social events during my year. It will be great to meet up with every member whether for a game of golf, a chat in the bar or just listening to and possibly acting on your suggestions. Should anyone wish to participate in our club matches, please feel free to contact me, by phone or email.

I am proud to be a member of Collingtree Park and to represent all of you. I sincerely expect us all to have a great and happy season ahead, and wish you well in the coming months.

Alasdair Gibson – Captain

SENIORS CAPTAIN'S WELCOME

Firstly, I would like to say I am greatly honoured to become the Seniors Captain and really look forward to my year in office.

The seniors section continues to run very smoothly - this is due to the hard work and huge amount of effort by the seniors committee. The membership of the seniors section is quite healthy. However, as always, it is essential for us to encourage new members to join us. We meet every Monday, Wednesday and Friday so if you're interested come along or get in touch.

As you can see from the Club Diary, the seniors have a busy programme for 2015. Along with team matches against other clubs and 14 individual competitions we are proposing to introduce more team competitions in various formats on our allotted Monday and Wednesday tee times along with our Friday roll ups. You can play as much or as little as you want – there's a large variety of golf to suit everybody.

Congratulations must go to all seniors who won individual trophies in 2104 and also to the Seniors Team who won the inaugural **Northampton Challenge**.

I look forward to playing with you all in 2015

Graham Warren – Seniors Captain

General Information

GENERAL INFORMATION

The Club has a “Members Constitution” and “Club Rules and Regulations” that all members must read, understand and comply with. Copies of both documents are available on the Club’s website, or from the main office. Extracts from the two documents have been included in the diary for your reference.

HANDICAPS

All matters relating to Collingtree Park Golf Club members’ handicaps are administered in accordance with the **England Golf Union’s CONGU** legislation and the **Unified Handicapping System**. The Club has a **HANDICAP COMMITTEE** who has the responsibility for the allotment and maintenance of handicaps as delegated to the club by the EGU. A summary of the handicap system can be found on Club notice boards, and in the Pro shop. More detailed information can be found on the **England Golf Union’s** website at www.congu.com.

In accordance with the **CONGU Unified Handicapping System**, all members are required to meet certain obligations in order to maintain their handicap. In particular each player must return a minimum of **3 qualifying scores / cards** between Annual Reviews, least their handicap will be rendered **non-competitive**. Players who nominate a club other than Collingtree as their home club are obliged to advise our Handicap Secretary of any changes to their handicaps in a timely manner.

Those members who compete in competitions away from Collingtree are required by the CONGU rules to ensure that all related scores (good and not so good) are returned to the club for entry against their handicap record as “away” competition results. This information must be accompanied by the date, the course, name of the competition and the SSS/CSS for the course played.

The Pro shop staff will be happy to explain how a new member can obtain a handicap, answer questions you may have, or point you in the right direction. In addition the Committee are very pleased to talk to you and help resolve any related problems you may have.

GOLF TUITION

Collingtree Park prides itself in having the services of several fully qualified PGA Professionals. Lessons, in a variety of formats are available, from one-to-one and group tuition, to junior, seniors and ladies’ sessions. We have tuition both outdoors and indoors, using computer aided video equipment as appropriate. Payments would be directly to the professional concerned. Please talk to one of our Professional Staff to find out what is available and most suitable to you.

GENERAL INFORMATION

ETIQUETTE

As befitting a leading Golf Club, we expect all Club Members, and visitors, to conduct themselves in accordance with the Rules of Golf. You are obliged to pay particular attention to our Etiquette Rules & Regulations, speed of play and general conduct both on and off the course. Local rules, temporary or otherwise, must be followed, especially concerning the use of buggies and golf carts, and particularly during winter months. Collingtree Park employs marshals who patrol the course to ensure all requirements are adhered to. Our dress code too must be followed. A copy of the Club Rules pertaining to Etiquette is posted on the Website and on notice boards.

COMPETITIONS

The club holds many matches and competitions throughout the year, and there are specific requirements for each that need to be observed. The following are a few of the more salient rules & instructions:

In order to qualify for any competition, a member must hold a competition handicap issued by Collingtree Park Golf Club, and have submitted 3 qualifying cards between Annual Handicap Reviews, unless they have joined the club within the last twelve months. Players with non-competitive handicaps may play (subject to prevailing rules), but not win the competition or any prize. A member may have Collingtree Park assigned as their home or away club. Players with Flexible a membership are limited in what competitions they can enter for example midweek, medal and stableford, but cannot enter any Trophy or Boarded competition.

Dates of competitions are listed on subsequent pages of this diary. However all golfers should keep an eye on clubhouse/pro shop notice boards/ website for the latest information and updates.

A “Competitions Sheet” is used for members to register in advance, reserve a tee time and indicate their intention to play in a competition. On the day of the event, players must sign the Competitions Book provided in the Pro shop, placing any entrance fee required in an identified envelope, and putting same in the appropriate box. This process is mandatory and failure to comply will disqualify any transgressor.

After finishing a competition, players must ensure their information and scores have been entered to the Club’s CONGU (UHS) computer system correctly, and then hand their card to one of the Organising Committee, in a timely manner. Particular attention must be given to confirming that their card has been completed fully, including name, date, up-to-date handicap, signature of player and marker, and competition name. Failure to do any of

General Information

the above will invoke disqualification and possible disciplinary procedures by the committee, which may lead to suspension from future competition(s).

Every competition will start at the 1st tee, using white tee blocks, unless otherwise stated by the club. Local rules must be adhered to. Singles stroke play and match play competitions will be off full current handicap.

Any member who fails to give at least one hour's notice of cancellation of their tee time in a club competition without reasonable justification will be subjected to the Club's disciplinary procedure.
