<p>Hole 12 Pallite</p>	<p>PALLITE® is a range of lightweight, strong, clean and recyclable transit packaging from The Alternative Pallet Company. As a genuine alternative to wood, the range, which includes boxes, insulated boxes, layer pads and pallet feet, are all made from paper and glue using honeycomb-cell technology.</p>	<p><a href="#"><u>Website</u></a></p> <p><a href="#"><u>Email</u></a></p>

A simple change to PALLITE® means that you could:

- Save up £45.50 per pallet when shipping air freight with an 84% reduction in weight compared to wooden pallets
- Save even more by eliminating the need for heat treated pallets – PALLITE® Pallets are ISPM15 exempt
  - Avoid the cost of unwanted damages with PALLITE® pallets that are strong enough to hold up to 1200kg and capable of carrying 750kg in open-beam racking
  - Reduce your total environmental impact with 100% recyclable materials from sustainable sources
- Reduce unwanted transport costs by maximising container and vehicle capacity with any size pallet available
